No problem! Just sent the invite for tomorrow at 2. I went ahead and did 30 minutes just in case. Feel free to forward as needed.

Hi Ian and Ken, say would you have 15 minutes or so tomorrow or Monday to walk us through how best to approach the PISC in Module E and the Alt PISC in Module F. The question has to do with how the document(s) is designed for submittal. We have already prepared the content so its more a matter of how to deliver the end result. I've also included Ex. 6 Personal Privacy (PP) on this so we can all learn together.

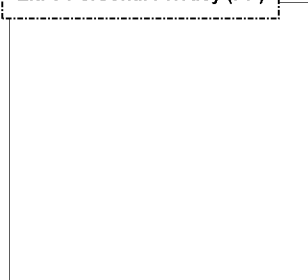

Let me know when works best.

Many thanks

-Nick
